

The Delray Beach Pickleball Club teamed up on March 21st with the Valencia Palms Gift of Life Club to put on their 2nd annual Pickleball Round Robin Event! This was the first charity event for the Delray Beach Pickleball Club, and this year the event was held at the Delray Beach Tennis Center. Gift of Life is a Bone Marrow registry that collects swabs from thousand of people each year who could be a potential donor for those with blood cancers.

70 players participated in the event along with several volunteers from both Clubs who helped make the event a great success!
